Business/Project Description: Established in 1999, Supply Chain Solutions – KS, Inc. is a certified woman-owned enterprise and their core business is third party logistics. With a diverse customer base, they primarily serve the technology, communications, consumer goods and manufacturing industries. Early in their company history SCS operated a facility in Riverport but sold it to CAT Logistics in 2002. After the expiration of a 5 year non-compete requirement, they would like return to the Louisville market with a 150,000 s.f. facility to serve their growing customer base. SCS plans to hire 16 staff initially and expects to grow to 75 or more employees in the next 3-5 years.
